

Together, further.

Now your customers will have the opportunity **to enjoy Premium Economy on more international destinations within Latin America**

We are continuously working to deliver the best onboard service, and this is why we have increased our Premium Economy cabin availability. By adding it to our remodeled Premium Business, we can offer you a superior service in all of our international destinations. These tickets will be available for flights as of January 15, 2020

When flying Premium Economy, your customers will have the opportunity of enjoying more comfort as well as exclusive services:

Priority Check-in and boarding

Access to LATAM VIP Lounge

Empty middle seat

*Extra legroom**
