# Iberia long-haul Route Network

From late June, Iberia will start flying to its most popular long-haul destinations. We will be flying to at least **13 destinations in July** and **16 in August**.

## Iberia Route Network

In July and August, Iberia, Iberia Express and Air Nostrum will fly to at least **40 Spanish** and **53 European** destinations. This corresponds to about 194 weekly frequencies\* in July and 359 in August. Subject to change.

(\*) each weekly frequency corresponds to 2 flights, outbound and return. This means we will be offering a minimum of 388 weekly flights in July and 718 in August.
