

Implementation of sanitary fee to passengers with final destination Cuba

The Government of Cuba announced by means of Resolution No. 293/2020, the implementation of a sanitary fee by the International Health Control services, to any person who arrives to the country from **December 1, 2020**.

- The sanitary fee is **USD30.00** or its equivalent in any currency. There is no local tax on the sanitary fee.
- It will be displayed under the code **Q5** on tickets issued from December 1, 2020.
- Passengers with tickets issued until November 30th should make the correspondent payment at airport counters in their point of origin.

APPLIES TO

- Tickets with final destination Cuba, with travel date on or after December 1, 2020.
- Resident and foreign passengers: adults and children over 1 year old.
