

To All BSP Agents:

Please be advised that Gulf Air has revised its ADM policy in correlation to IATA resolution 850m.

ADM ADMINISTRATION CHARGE

- a) GF will levy an ADM Administration Charge of USD15, or the equivalent in local currency, per ADM issued. The charge will be added to the violation value, within the same issued ADM.
- b) ADM Administration Charges will only be reversed / waived if proven that the ADM has been incorrectly issued by GF.
- c) GF reserves the right to revise the ADM Administration Charge from time to time, as deemed necessary.

The amended term is reflected in the BSP link ADM Policy for general reference.

Thank You,
