Copa Airlines announces termination of ETKT and SPA agreement with Aeroflot (SU)

Dear Travel Agencies,

Copa Airlines announces that as of today, it has deactivated the Interline ETKT and SPA agreement between Copa Airlines (CM) and Aeroflot (SU). For this reason, it will no longer be possible to sell tickets with segments operated by both airlines, and in the case of tickets that have been sold prior to this measure, they will be disabled for use.

Travel agencies that have affected tickets and require post-sale assistance (handling of reservations, re-accommodations or consultations) should contact our Call Center.

Learn more about policies and procedures, news, product highlights, and service requests in our Agency Portal.
