Changes in baggage charges paid at the airport

Dear Travel Agencies,

Copa Airlines informs you that effective March 8, 2022, we will implement changes in baggage charges paid at the airport.

These charges apply according to the baggage allowance of the purchased fare, and we ask for your support in providing this information to your customers to facilitate the airport check-in process. The charges for prepaid baggage service at Web Check-In will remain the same.

Below we share a table with the old and new charges:

Type of charge	Previous charge	New charge
First bag up to 23kg	USD 30	USD 35
Second bag up to 23kg	USD 45	USD 50
Extra pieces (3-5)	USD 175	USD 180
Overweight (24-32kg)	USD 100	USD 100
Overweight (33-45kg)	USD 200	USD 200
Oversize	USD 150	USD 150

IMPORTANT

- The new baggage charges paid at the airport will be effective for tickets issued on or after March 8, 2022.
- Previous charges will applied to:
 - Passengers whose tickets were purchased prior to March 8, 2022.
 - Passengers who have already started their trip by March 8, 2022 and their reservations are partially used.
