Changes to Ticket Time Limit for travel agency bookings

Dear Travel Agencies,

As of January 18, 2022, the following changes to the Ticket Time Limit for reservations made by travel agencies will be effective:

- Bookings created **7 days or more** prior to flight departure will maintain the 24-hour Ticket Time Limit (TTL).
- Bookings created **less than 7 days** prior to departure will have a Ticket Time Limit (TTL) of 6 hours for ticket issuance.
- Negotiated fare bookings (net fares and corporate discount) that already have more flexibility will maintain the current rules that allow a 72-hour up to 4 days Ticket Time Limit prior to flight departure.
