Copa Airlines implements interline agreement with Eurowings

Dear travel agencies,

Copa Airlines has activated interline and SPA agreement with Eurowings (4Y). Eurowings is part of the Lufthansa Group, and it will be operating A330 aircraft on the FRPTY route with 283 and 310 seat aircraft. Itinerary quotes on Copa codeshare tickets that include the FRPTY route, operated by Eurowings, will be shown in the system as LH*.

The renewal of this agreement with Lufthansa (LH) and the implementation of ETKT with Eurowings (4Y) will continue to make it easier for passengers to book their travel itinerary on a single ticket under one baggage policy and uniform fare conditions.
