

Please note that Air Serbia's fuel surcharge will be increased as of March 13, 2026 for the JU route network and March 16, 2026 for the USA/Canada/China as follows:

From EUR 8 to EUR 12 per direction on the JU network

From USD 100 to USD 125 per direction on NYC/CHI

From EUR 85 to EUR 110 per direction on YTO

From EUR 20 to EUR 40 per direction on CAN/SHA

Group fares that have already been confirmed are not affected.

For future group requests, JU GroupRM will integrate the surcharge into the offered price.

For FIT (individual) tickets, the surcharge will be automatically included in the fare by the GDS from tonight.

Therefore: If you still have JU115 tickets to be issued, please issue them now.
