# TAP Portugal Fare Class Realignment

21 January 2026

[Updates](#)

TAP Portugal (TP) has planned Fare Class Realignment (FCR), whereby they will be moving few of their Economy Cabin RBDs to Premium Economy. As a result, there will be a change in their RBD hierarchy for travel on/after 31 March 2026, and will impact our already booked passengers on TP services.

TP will start the re-protection on 21 January 2026, once they re-book the passengers on new RBDs for travel on/after 31 March 2026, **it is necessary to reissue impacted 157 tickets with new TP RBDs and endorsement "REACC DUE TP FCR". No rebooking/refund waiver applies.**
